

DASHBOARD & ACCOUNT SETTING

The screenshot displays the IBM Cloud Dashboard interface. At the top, a dark navigation bar includes the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (Jeevanandhan B's Acc...). Below this, the main dashboard area features a 'Dashboard' header with options to 'Edit dashboard', 'Upgrade account', and 'Create resource'. A 'For you' section presents a horizontal carousel of tutorial cards. The first card, 'Build', is highlighted in blue. Subsequent cards include 'Set up your IBM Cloud account' (10 min), 'Build a web app with Watson Speech to Text' (15 min), 'Discover the Watson Internet of Things (IoT) Platform' (10 min), 'Get Started with Watson Studio' (2 hr), and 'Create an OpenShift cluster' (20 min). Each card provides a brief description and a 'Getting started' button. Below the carousel, a row of four panels offers further resources: 'News' (with a 'View all' link), 'Recent support cases' (with a 'View all' link), 'Planned maintenance' (with a 'View all' link), and 'IBM Cloud status' (with a 'View all' link and a world map visualization).
